SUBJECT:

DOCKET NO. 2019-281-S - Application of Palmetto Utilities, Incorporated for Adjustment of Rates and Charges, Terms and Conditions, for Sewer Service Provided to Customers in Its Richland and Kershaw County Service Areas – Staff Presents for Commission Consideration the Petition to Intervene Filed on Behalf of Lisa Levine along with the Request for Confidential Treatment of Personal Information.

COMMISSION ACTION:

Lisa Levine has requested to intervene and has requested that her phone number, house number in her address, and email address be redacted. If we grant the Petition to Intervene, Ms. Levine would be a party of record, and she would be subject to the same rules as the other parties of record. This means she must serve other parties with all of her filings, including any prefiled testimony, and importantly have contact information on file that allows her to be served.

With this in mind, I move that Ms. Levine provide the Commission with contact information that can be posted to the Docketing Management System (DMS) and be available as a public record by February 17, 2020. I also move that we delay ruling on her Petition to Intervene until the necessary contact information is provided by Ms. Levine. If a response to this Order is not received by the close of business on February 17th, 2020, her Petition to Intervene will be deemed denied.
